

Title **I2C/SPI connections**

Size: **A4**

Number:

Revision: **1.1**

Date: **06.03.2018**

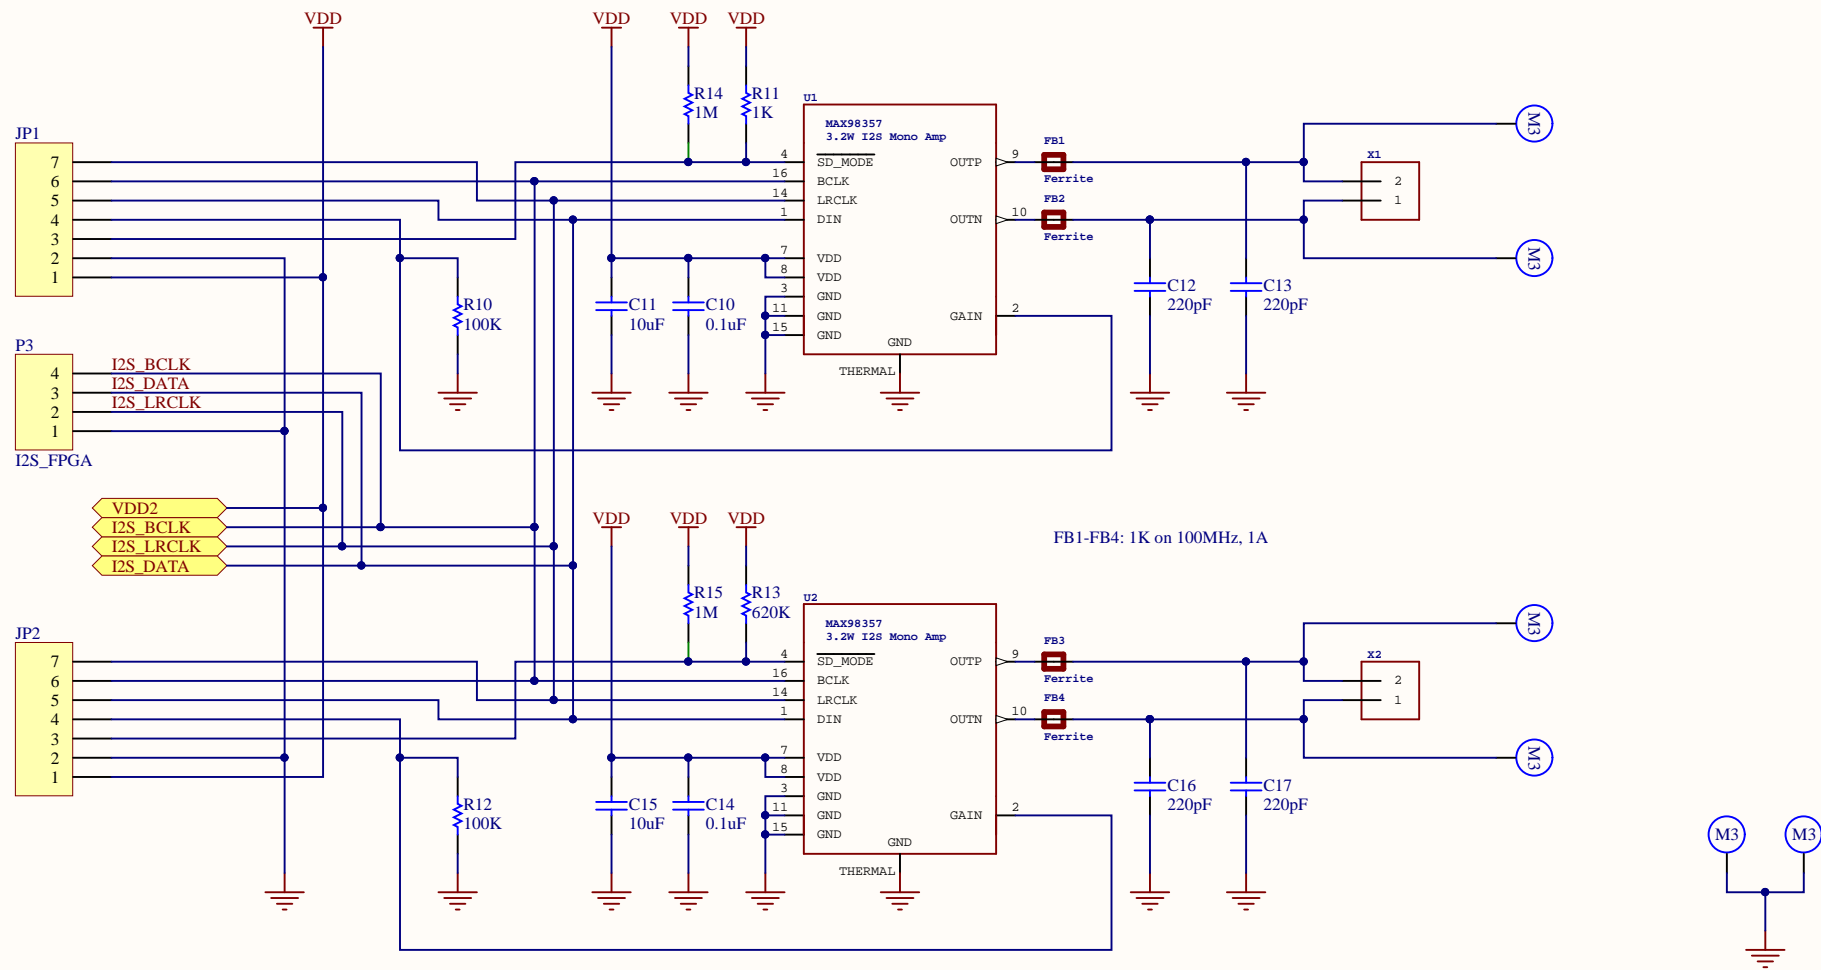

Time: **13:57:42**

Sheet **1** of **2**

File: **C:\Work\DE10\Hardware_MiSTer\Addons\PiTopAudio\serial.SchDoc**

Sorgelig

Note:
 Amplifiers can be soldered directly to the board by components, or using pre-assembled Adafruit modules soldered by connector points.
 If Adafruit modules aren't used then R14 and R15 aren't required, R13 should be 360K...390K
